11	5	5	5	5	5	5	5		Thank you
12	5	5	5	5	5	5	5		Good info to help remember to take the characteristics of different personalities in to consider as we work together.
13	5	5	5	5	5	5	5		A great training session. A must for all employees!
14	5	5	5	5	5	5	5		session was informative and will make me a better communicator.
15	5	3	3	4	4	4	4		More hands on and table activities would be helpful. This could have been done in 2 hours instead of three
16	3	3	3	4	3	3	3		This seemed like the 1st time they presented this material- they will improve with time.
17	5	3	4	3	3	3	4		Should be advertised for DIRECTORS. Thought it would be more about dealing w/ parents. A little dry in beginning, 2nd half better w/ conversation and group work.
18	4	4	4	5	3	4	4		The class was focused on working w/ other adults in your classroom- focusing more for teachers.
19	3	2	2	4	2	3	3		Presenters READ materials for presentation off handouts and PowerPoint. Sophie seemed unprepared at times-often apologizing for mistakes. Sure she was trying to do her best though. Small group session was good, however needed better connection of ideas and w/ concepts of managing adults.
